Dear Parents

I hope you are all well and have had a good weekend.

The work we have had undertaken on site today has been successful and so we can reopen for all students tomorrow, Tuesday, as usual. Please do ensure your young person is on site before 8.30am when lessons commence.

I ask that you ensure your young person has a face mask with them which can be worn in communal areas as required – unless they are exempt from wearing masks and you have let us know this status. You will have heard of the shift in regulations announced at the weekend regarding the wearing of masks on public transport, in shops and in schools and I ask for your support in ensuring our students adhere to these requirements.

Thank you in advance for your support and cooperation.

Yours sincerely
