Dear Parents and Carers

I hope you are all well and enjoyed your half term break.

I write to confirm the arrangements from today onwards regarding Covid following the Government's announcements made earlier this week.

Whilst the legal requirement to self-isolate following a positive test result is removed as from today, the Department for Education's advice for all schools and settings is to advise adults and children who test positive for Covid that they should stay at home and avoid contact with others for at least **five** full days. Individuals should then continue to follow this guidance until they have received two negative test results on consecutive days.

Thank you in advance for your ongoing support and understanding.

With every good wish.

Yours sincerely
