28th March 2019

Dear Parent and Carer

I am writing to inform you about our year group's fundraising intentions for the rest of this year. As you know, part of our ethos is to help those less able to support themselves and, I'm sure it is one of the reasons you choose to send your son to FCHS. As a year group, our chosen charity this year is Great Ormond Street Hospital.

In an assembly this week, I reminded all students of our goal to collect a minimum of £10 each. I am aware that some students have already raised more than this through a variety of independent activities and incentives and I would like to thank them. Below are two proposed ideas for your son to consider in order to raise money within the year group:

1. **Personal fundraising**

Students are encouraged to ask family members and friends outside of school to carry out a range of jobs for a small donation or sponsorship. For example, previously pupils have washed cars or helped in the garden. Others have given something up beyond the Lenten period, such as TV, chocolate or computer games. We have provided a fundraising sheet to motivate and help each pupil keep track of their sponsors.

2. **Alternative PSHE activity**

Students will be offered the opportunity to choose from the following options for a £1 donation, run as an alternative to their regular PSHE lesson: football, dodgeball, table tennis, basketball, Board Games, Art Challenge.

It is my hope that your son will actively participate in these two events along with others that we are running as a year group and form groups, i.e. inter-form tournaments. However, it is through encouraging the individual pursuits currently being organised by many students that will help us to achieving our ultimate fundraising goal. We appreciate all the support you can give to your son in raising money for this truly inspiring cause.

Kind regards

M Hastings
