

*Finchley Catholic High School  
Golf Day 2017*

*Friday 9<sup>th</sup> June 2017*

## *Headteacher's Welcome*

On behalf of the PTA and the school, I would like to extend a very warm welcome to you on the occasion of our annual Golf Day.

Once again, it is very gratifying to see so many teams returning to take part, and so many business sponsors continuing to lend their support.

We are delighted that the Golf Day is taking place at South Herts and we are indebted to the club officers and officials for welcoming us to such an excellent venue.

You may be interested to know that the funds raised today will go toward the refurbishment of the interior White House.

As I am sure you will appreciate, there is a great deal of organisation involved in putting together an event on this scale and I am very grateful to Eve Stefanicki for providing the leadership, attention to detail and energy that is so necessary.

A special vote of thanks goes to John Power of Procon Readymix Ltd, for his on going generous support in sponsoring the event, the Power Ball competition and donating a number of prizes. In a similar vein, I would like to thank all our sponsors for their enormous generosity.

Finally, I would like to thank all those who have contributed raffle prizes and auction items for tonight's presentation dinner.

As always, it is a pleasure to see today so many past pupils, teachers, parents and friends of the school giving up their time and gathering together to make this such an enjoyable and successful event.

On an occasion such as this, we come to realise just how blessed we are in having such a strong sense of community. Long may it continue.

Enjoy the day!

Julie Durham  
Headteacher

As a school, we are indebted to all of our supporters for raising money which improves and enhances the educational experiences of our students. The work of the PTA in organising events like the Golf Day is vital to help fund large projects and renovations.

We would particularly like to thank Laura Pappalardo who has served as a dedicated member of the PTA for 10 years, including a number of years as Chair, galvanising support and working tirelessly on behalf of this community. Una McGinley formally assumes the role of Chair from September. We would also like to thank Peter Inzani who has stepped down from his role as Treasurer this year after 20 years of dedicated service to the PTA, including several years as Chair.

Over the past year, we have been able to complete a major refurbishment of the School Hall, purchase a high tech 3D printer and some very useful classroom equipment which has enabled teachers to share best examples of students' work with a whole group, site two outdoor table tennis tables in the playground and we have arranged refurbishment of the Bourne staircase which will take place over the summer holiday. In addition, we are currently investigating an upgrade to one of our school minibuses.

We are fortunate too in our corporate support and we would also like to thank the many organisations that have provided sponsorship this year and to all of those who have donated raffle items. In these days of vastly reduced school budgets, we are more than ever indebted to all of you for your support.

## *Upcoming events include:*

Summer Fete and Old Boys Mass – 25<sup>th</sup> June

If you would like any further details on this event please speak to Eve Stefanicki.

# The FCHS Golf Day 2017

Nearest the pin – 8 and 12

Power Ball Challenge

### **Junior House Competition – The Rees Course**

13:00 Tee off

16:00 Presentation

# *Fundraising at Finchley Catholic High School*

The school has a long tradition of raising money and awareness for local, national and international charities. One of the things that binds our community together is our desire to make a difference in the world through fundraising to support the most vulnerable members of our global community. Pope Francis' Message for Lent 2017 asks us to 'serve Christ present in our brothers and sisters in need' and this is a mission we are proud to fulfil.

Every year, each year group chooses a particular charity to focus on throughout the year, with students raising substantial amounts of money through various activities including sponsored events, sporting fixtures, car washes, tuck shops and cake sales.

The school's total fundraising over the course of the year often runs into the many thousands, and is an integral part of the school life, embracing the school's message "where everybody matters".

At our Golf Day this year we have chosen to promote the work of some of these charities;

## Great Ormond Street

The charity works to enhance Great Ormond Street Hospital's ability to transform the health and wellbeing of children and young people, giving them the best chance to fulfil their potential, supporting with raising funds to modernise the hospital, fund family support projects and vital research into new treatments.

## Crisis

Crisis supports homeless people through education, training and support with housing, employment and health. The charity offers support and advice as well as working on research into the causes of homelessness.

## Marie Curie

Marie Curie nurses, volunteers and hospices provide round the clock, hands on care and emotional support for people with terminal illness and their families.

## Dementia UK

Dementia UK provide specialist Admiral Nurses who give one-to-one dementia support, expert guidance and practical solutions. They also offer support for the families of people with Dementia.

## Jacks Goal

Jack D'Lima's family and friends set up Jack's Goal in January 2006, following the loss of Jack in March 2005. Money raised goes to Ali's Dream, a charity whose aim is to raise funds for research into discovering the causes, advancing treatments and finding a cure for childhood brain tumours.
